for an April event.**

PRESIDENT'S CORNER

It's been an exciting year for the Sarpy County Chapter of ABWA. We're almost 3 years old and we had a change of board members. The new board is working hard to bring educational topics that will benefit you both personally and professionally. We believe it's important that we all leave these meetings with something we can take with us and show a strong ROI (return on investment).

Please continue to give us feedback and the more you get involved - the more you will get out of your ABWA membership. We are always looking for volunteers to help with fundraising, education, etc. Join us in making this a strong chapter.

We look forward to an even better 2009 with many more things to come. We are going to plan a networking event with the other local ABWA chapters to meet more people and get more out of our memberships.

We want to wish you and yours a safe and happy holiday season.

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

John Quincy Adams
